

Decision CC-1/3: Notifications of final regulatory actions

The Compliance Committee,

1. *Agrees* to the questionnaire for Parties to the Rotterdam Convention for the identification of issues being faced by Parties in relation to the notification of final regulatory actions¹ and requests the Secretariat, subject to the availability of resources, to make it available to Parties in English, French and Spanish, with an invitation to Parties to complete it by 30 June 2023;

2. *Requests* the Secretariat, subject to the Conference of the Parties including this activity in the work programme of the Committee for 2024–2025, to compile and make available on the website the responses received to the questionnaire and to prepare a report for consideration at its second meeting:

(a) Presenting a qualitative and quantitative analysis of the issues being faced by Parties in relation to notifications of final regulatory actions, in particular with regards to Annex I to the Convention, taking into account the compilation of responses to the questionnaire as well the other sources of information mentioned in the note by the Secretariat;³

(b) Proposing possible recommendations for consideration by the Committee on steps that could be taken by Parties, the Conference of the Parties, the Compliance Committee and others to support Parties with the notification of final regulatory actions.

3. *Agrees* to include further work on this issue within the draft programme of work for the biennium 2024–2025.
