

2014 The International Year of SIDS 10th Anniversary of Entry into Force of the Rotterdam Convention

The Rotterdam Convention

Protecting human health, including the health of consumers and workers, and the environment against potentially harmful impacts from certain hazardous chemicals and pesticides in international trade

Signatories as of 1st January 2014

Parties as of 1st January 2014

SIDS non-parties / signatories of the Convention as of 1st January 2014

Note: The designations employed and the presentation of the present map do not imply the expression of any opinion whatsoever on the part of the Secretariat of the Rotterdam Convention, the United Nations Environment Programme (UNEP), the Food and Agriculture Organization of the United Nations (FAO) or the United Nations, concerning the geo-political situations or the legal status of any country, territory, including overseas territories, or city or area or its authorities, or concerning the delimitation of its frontiers or boundaries. In particular, please note in this respect that some SIDS may be overseas territories of Parties, which may or may not be considered to be Parties to the Rotterdam Convention.
